

## PlaneLog.com Web-based Aircraft and Pilot Logs

**PlaneLog.com Aircraft Logs** - This is a comprehensive system which will allow one to document the history of the aircraft. The PlaneLog.com system transfers the current paper-based versions of FAA required aircraft logbooks into electronic data files through the use of the world-wide web and electronic databases. The system will allow for all of the necessary engine, airframe, avionics and propeller historical data. Reminder notes are programmed into the system to notify the aircraft owner of up-coming inspections and critical notices. The Standard Version Aircraft Log provides a static list of all AD's and service bulletins applicable to that particular aircraft and it's engine(s) while the Professional Version Aircraft Log provides a continuously updated version of all AD's and service bulletins. A handy organizational binder is also provided with the service.

**PlaneLog.com Pilot Logs** - Pilotlog is the digital equivalent of the standard pilot logbook and so much more. PlaneLog.com's Pilotlog will help you maintain the high level of safety that flying demands. The system contains numerous alerts and notices to let you know if you are current to fly in certain conditions. Can you remember when your medical bi-annual exam is due or if you have logged 3 take offs and landings for both day and night in the past 90 days? PlaneLog.com's Pilot Log system will let you know as soon as you log on!

## PlaneLog.com Aircraft and Pilot Logs

## Enhance Aircraft Value &amp; Boost Aircraft and Pilot Safety!

- \* Secure access - password protected
- \* Legible, searchable, retrievable world-wide
- \* No software to install
- \* No lost log books

**Security** - PlaneLog.com is a Verisign Company. The most trusted software and hardware currently available in the market provides back-up and security. This aspect of the business will be continually monitored and updated as necessary to insure the integrity of the system and the privacy of our members. PlaneLog.com uses Secure Socket Layer (SSL), an Internet industry standard, and state-of-the-art encryption to keep your personal information secure.

**Fee Based Service** - There will be an initial set up fee and a monthly access/storage fee. A premium service where the data will be entered by PlaneLog.com staff will be available for an additional fee. Charges will begin when you complete your log tracking set-up. Standard Fees are as follows. Please note that Fleet/FBO Versions are available with discounts for multiple aircraft.

By continuing, you agree to the terms of our service agreement (below).

1. Agreement. When you log on to the PlaneLog.com system, you agree to all the terms and conditions on this page and in the website documentation accompanying the PlaneLog.com system.
2. The web program is provided as is. No warranty is represented with the PlaneLog.com system. The system has been tested and all components have been found to be working properly. If you have questions or suggestions, please call or toll free at 87-PLANELOG.
3. Disclaimer. Disclaimer Statement. If Aviation Log Services, Inc. duplicates this information, Aviation Log Services, Inc. does not herewith make any statement whatsoever as to the authenticity or accuracy of these entries. The user understands that these reproductions are exact duplicates of information provided to Aviation Log Services, Inc. by the contractor and as such no representation as to accuracy is hereafter made, intended or implied. Any discrepancies noted in entries as to actual work performed are the sole responsibility of the party making the entry and the end user.
4. Limitation of Liability. Under no circumstances including negligence, shall Aviation Log Services, Inc. software or products be liable for any incidental, special or consequential damages that result from the use or inability to use the software or related documentation, even if an Aviation Log Services, Inc. authorized representative has been advised of the possibility of such damages. Some jurisdictions do not allow the limitation or exclusion of liability for incidental or consequential damages so the above limitations may not apply to you.
5. In no event shall Aviation Log Services, Inc.'s total liability to you for all damages, losses, and causes of action (whether in contract, tort (including negligence) or otherwise) exceed the amount paid by you for the program.
